EU Type Examination Certificate

No. CE 684840

Product Specification:

Model: **PC 50 Full Face Mask**

Technical specification: Technical Specification based on EN 136:1998 Class 2 except for the requirements of Clauses 7.6.3, 7.12, 7.19 and 7.21, to satisfy Annex II of the PPE Regulation 2016/425.

Product description: The PC50 is a Full Face Mask designed specifically for specialist user groups including riot control officers, correctional facility officers, border control agents, Police officers and other first responders. It features two threaded filter connectors. The threaded filter connectors permit the mask to be reconfigured for left or right handed weapons firing. Technical Specification PC50 Rev 1 relates only to the mask in negative pressure mode, when one of the two threaded connectors is sealed with a plug. The plug requires a special tool for its insertion and removal. Trained personnel can reconfigure the mask from left to right handed, or vice versa, depending on user operational needs
